Camping is available on Saturday night at £5 per tent and £7 per caravan / motorhome all on the right side on the club house by the road.

There are limited electric hook-ups available so if you want to use one please let me know in advance to book it.

To enable this weekend to work we do require help with managing the activities on the day. We will have safety boat cover on both Saturday and Sunday but parents must be aware that they are responsible for supervising their own children at all times and must stay on site.....

We are looking for lots of volunteers for various things to make the weekend a success – Setting up, Fitting Buoyancy Aids, Boats In and Out, Supervising the Fire etc...

PLEASE also help with cleaning up the clubhouse and grounds at all times

As always all games and activities are subject to change or cancellation if conditions are not safe or not enough families sign up.

Full payment must be made with the order and a [consent forms](#) must be completed for each child. Members can book and pay online using the [membership system](#). Non-members can fill in the [booking form](#) and pay online
